The department of public instruction (DPI) has promulgated administrative rules ~~requiring~~ establishing initial educator licenses for beginning teachers and professional educator licenses for <sup>more</sup> experienced teachers. These rules also require school boards to mentor, orient, instruct, and review teachers holding the initial educator license. This bill

~~The bill prohibits DPI from requiring initial educator~~  
prohibits DPI from imposing these requirements on school boards.  
The people of the state of Wisconsin, represented in senate and assembly, do enact as follows: INSA

SECTION #.

(FE)

STATE + LOCAL

→ SEC # RR; 20255  
(2XFK)

except that the department may not require  
a school board to mentor, review, orient, or  
instruct a teacher licensed under this  
subsection.

→ Section #. 115.28 (7) of the statutes is amended to read:

- X 115.28 (7) LICENSING OF TEACHERS. (a) License all teachers for the public schools of the state; make rules establishing standards of attainment and procedures for the examination and licensing of teachers within the limits prescribed in ss. 118.19 (2) and (3), 118.192 and 118.195, prescribe by rule standards and procedures for the approval of teacher preparatory programs leading to licensure; file in the state superintendent's office all papers relating to state teachers' licenses and register each such license.

(b) Subject to the same rules and laws concerning qualifications of applicants and granting and revocation of licenses or certificates under par. (a), the state superintendent shall grant certificates and licenses to teachers in private schools, except that teaching experience requirements for such certificates and licenses may be fulfilled by teaching experience in either public or private schools. An applicant is not eligible for a license or certificate unless the state superintendent finds that the private school in which the applicant taught offered an adequate educational program during the period of the applicant's teaching therein. Private schools are not obligated to employ only licensed or certified teachers.

(c) Subject to s. 118.19 (4m), license and make rules for the examination and licensing of persons, including teachers, employed to provide publicly funded special education and related services, as those terms are defined in s. 115.76 (14) and (15).

(d) Annually, establish fees for the certification or licensure of school and public library personnel sufficient to fund certification and licensing administrative costs.

(e) 1. In this paragraph, "alternative education program" means an instructional program, approved by the school board, that utilizes successful alternative or adaptive school structures and teaching techniques and that is incorporated into existing, traditional classrooms or regularly scheduled curricular programs or that is offered in place of regularly scheduled curricular programs. "Alternative educational program" does not include a private school or a home-based private educational program.

→ SEC # RR; 115.405

INS A - (2<sup>nd</sup> para of analysis)

¶ Current law authorizes DPI to award grants to school districts and cooperative educational service agencies to implement peer review and mentoring programs. This bill repeals this grant program.
